SOLUTIONS FOR YOUR ASSOCIATION

Associations sometimes have trouble finding trusted vendors for all their products & when partnering with a vendor want to provide the most value to their member agents. In addition to providing members only discounts, Alicor Solutions, has gone the extra step to help the member agent's websites be more successful.

At Alicor Solutions, LLC, we have been specializing in insurance agency websites since 1999. We provide insurance agents the resources and assistance they need in establishing a professional online presence. Whether its social networking or search engine promotion, Alicor Solutions is here to help.

trusted advisors for your member agents

PROFESSIONAL SERVICE

With many different endorsements across the country, professionals have trusted us with their website for many years. We strive to be your member agents trusted advisors.

OUR PARTNERSHIPS

"Alicor Solutions made it extremely easy for me. We are very pleased with the professional image of our website, superior service we receive to all requests, and their staff is second to none. You will be glad you call them." Kansas PIA Executive Director

"There are many vendors & finding the right company is often the challenge. Thanks for sharing successful experiences with Preferred Vendors to help other members with their selection! We all save time avoiding 'vetting' multiple companies and obtain group buying power discounts."

ISU Group
