By Bob Speaks

The President Speaks!

Well folks the month of June has come to an end, and it is time to reflect on what we did. The Board of Directors met on June 02, and we talked about how we could improve the participation of the club members on our tours, at Hot & Tot, and other events that the club will be involved in.

We are now making plans on starting a Model A garage, where members can meet once a month on a Saturday and work on their cars. We will have Technical talks on how to repair the Model A. Stay tuned for more information that will be coming out as we work on the details.

Now on to some more fun things. The joint tour with the Model T club to the Dominquez Rancho Adobe Museum aviation day was a great success. There were 14 Model T's and 14's Model A's with a total of 45 members from both clubs.

The cars were spread out over the grass under the shade trees, and hundreds of people were asking questions and taking pictures of all the cars. The cars were the center of attraction all day long.

Most of the members from both Clubs agreed that they had a great day and said that they would do it again. (Editor's comment: This is the first time I have ever been to the museum and was very impressed with the event and all the effort and support of the event staff and volunteers.)

Drain Marshall is working on a tour for the Model A and Model T clubs to go on a tour in Oct. to drive the ridge route from Gorman to Quail Lake. Drain will have more information as he works out the details.

If you want to be an active member of the club, you've got to joint in on the activities.

Aviation Day

Each of the participating clubs had a booth provided by the event. Harbor was well manned (womaned?) by the Harbor gals.

L to R: Joan Gordinier, Daffy Wagner, Ursi Schmidt, Doris Marshall, Nita Stonehocker, and Georgette Avoian.

The gals were selling club hats and 50th anniversary Harbor cookbooks.

The weather was very comfortable and everyone had a great time.

Sunshine Secretary's Report . . . By Doris Marshall

Paul Larquier is still having good and bad days. Hang in there Paul. We are thinking of you.

Our friend and member **Don Miller** passed away on June 6th. He had been in failing health for quite a while. Our hearts go out to Sally and the family at this time.

Editor's Corner by Dick Wyckoff

Editors are always looking for articles of interest to put in the newsletters. There must be some interesting Model A stories out there. How long have you had your car? Was it a family car? Did you restore it yourself? If you have an item for sale, let me know. I will put it in the 'Wheels and Deals' section. The newsletter is distributed to many other clubs locally and other parts of the country.

Also, I encourage you to receive the HarborLight by **email**. Just let me know your current email address. The club saves one dollar each month per email subscriber. I have a distribution now of 31 people from the Harbor Club and 21 others. This is close to \$600 per year savings. **AND** it is in **color**! You can print it out in B&W or color if you want, enlarge it, send it to your friends, or save it in your computer files. Again, just let me know your email address. Thanks, and remember: 'Keep the shiny side up'!

One other thing: The Pacific As Region of MARC is moving right along in it's preparation of hosting the 2011 MARC National Meet in San Diego. We now have raffle tickets for the grand prize of a **long block, stock H&H engine**. Max Jr. has agreed to donate one of his rebuilt engines for the convention raffle. **Thanks, Max!** Dick Wyckoff has some raffle tickets for sale. \$5 for one, \$20 for five, \$50 for 15, and \$100 for 35 tickets. The drawing will be held at the 2011 National Meet, July 1st. Call Dick at 310-322-8863 or email janndick@earthlink.net.

There are many committees involved. Both Bob Speaks and Dick Lusk have agreed to head up the Swap Meet and the Event Parking committees. This is in addition to Dan Fitzgerald and Dick Wyckoff being on the board of directors for the event.

If asked, please help out in any way possible. There are many jobs and, like the saying goes, "Many hands make light work". Thanks.

Just in.... Check out new website being developed:

Pictures from San Pedro. The LA City Fire Department fireboat tour

I'm sending some photos of the Fire Boat tour. We went to the Fire Museum, Old Fire Station 36, first, which is almost across the street from the Fire Boat at Ports O' Call, San Pedro. We took potluck lunch for 15 firemen. We had a tour of the fire boat first. Then we had lunch in their lunch room. They weren't going to be able to take us on a ride on the boat but after "such a delicious lunch" the captain changed some plans and they gave us a ride in the harbor on the fire boat. Sue Hankins.

Friday Afternoon at Ruby's Diner:

Since March, Ruby's Diner in Redondo Beach by the pier has hosted a weekly gathering of fun cars. This event can bring as many as 150 cars of all types. Classics, Concours, hot rods, antiques, sports cars, motorcycles, and Model As!. Many Harbor Club members show their cars and enjoy a great meal in the diner. Check it out. Times are about **4PM to 7:30PM every Friday**. There is a nice raffle and trophies are awarded each week. Parking is free to participating cars. This event will continue all summer until sometime in October. See you there.

Saturday Morning Coffee Gathering:

If you are looking for a little tire-kicking adventure on **Saturday** mornings between 7 and 9AM, check out the Caffeine Cruisers at the corner of Artesia Blvd and Hawthorne, in Torrance, CA. Several of the Harbor Model A club members and other car enthusiasts of all car types meet to talk cars. There are some very nice autos and some nice people there, too! The address is 17400 Hawthorne Blvd., Torrance CA. Come on by, have a cup of Starbucks, and get your weekend started in true So. California style.

Weekly Family Food Festivities:

Many of the Harbor members meet at the **Hot 'n Tot** restaurant each **Monday** at about 5PM for dinner. Drain Marshall likes to call it 'Spaghetti Night' because the Monday night dinner special is all you can eat spaghetti with a salad at \$6.25. Join us for dinner. The Hot 'n Tot is located at 2347 Pacific Coast Highway in Lomita, CA. It's about a half mile east of Crenshaw Blvd., north side.

Technical Talk

The Nation's First Drive-up Service Station

In 1913, Gulf Refining Co. opened the nation's first drive-up gasoline service station in Pittsburgh, Pa. Although invitations were sent to all automobile owners in the neighborhood, opening-day sales on Dec. 1 amounted to just 30 gallons, at 27 cents each. By the first Saturday, however, the word had spread: Gulf sold over 350 gallons that day.

This first drive-up station changed the concept of gasoline marketing and established a style of station operation for years to come. The station was the first to offer free crankcase service, free air and water, and free installation of tires and tubes when purchased there; and it made its employee restrooms available to motorists.

A marker noting the station's historic significance was recently placed at the site where the station once stood

2010 Membership, Roster and Club Items:

New 2010 Phonebooks/rosters are available and are available at all get-togethers. The first booklet is free, additional copies are \$2. They are also available free of charge through e-mail. Club members that don't attend events can request a phonebook/roster by mail.

Also available are neat ball caps with the club's logo. Available in many colors \$12. There are a few 50th anniversary T-shirts and pins still available, too.

Please call **Ursula** at (310) 539-5391 to place your order.

Back by popular demand: The popular 50th Anniversary Harbor Club Cookbook has been reprinted. We have only 50 copies left from the 100 printed. They are going fast! They are \$10 each. Contact **Doris Marshall** or **Dick Wyckoff** for your copy now. They make great gifts!

Auctioneer **Bill Newell** and assistant **Monty 'Vanna' Bates** did their wonderful and entertaining job of offering all the 'treasures' up for sale at Harbor's 'White Elephant' sale at the last meeting. Many 'valuables' were sold and enriched the club's treasury by \$193.50. Thanks to all who participated.

Doris Marshall is working the crowd at all the Model A events. She has sold 38, 50th Anniversary cookbooks so far. Her record was 18 at the NCRG last month. Go Doris!

Dick Wyckoff is celebrating the 50th anniversary with his high school sweetheart, his 1929 Roadster Pickup. It was his first car. He bought it 1960 when he was a senior at Westchester High School. It was used for seven years as his only car, going to college and work. The truck then sat unused for about 33 years when his wife, Jan, encouraged him to restore it. In 1999 he finished and has driven it many miles since.

Some local car show results are in: At the El Segundo Educational Foundation benefit show, **Dan Fitzgerald** took first place in the vintage class with his pretty speedster. Right behind him, **Dick Wyckoff** took second with Jan's Cabriolet and **Joe Freitag** took third with his Cabriolet. 1, 2, 3. Not bad, 'eh?

Not to be out done, the **Younkin twins, Bob and Bill** took several top honors at the Huntington Beach Concours with three cars of theirs. Bill won first place with his Model A Cabriolet and Bob took first place with both his 1915 Model T Depot Hack and his highly customized 1951 Ford Victoria. Great job, guys..... Check out some pictures on the website: Bergstromsphotography.com. Look for the 'Younkin twins'.

BAND SAW:

A large stationary power saw primarily used by most shops to cut good aluminum sheet into smaller pieces that more easily fit into the trash can after you cut on the inside of the line instead of the outside edge.

A tool for opening paint cans. Sometimes used to convert common slotted screws into non-removable screws and butchering your palms.

HAMMER:

Originally employed as a weapon of war, the hammer nowadays is used as a kind of divining rod to locate the most expensive parts adjacent to the object we are trying to hit.

1930 Fashions by 'Bonnie and Clyde' Parrish

Cover Story

From the May-June 1968

'The Restorer'

That menacing couple brandishing the 'hardware' on our front cover are not what they seem to be. No, it's not Bonnie Parker and Clyde Barrow of criminal fame. Nor is it Faye Dunaway and Warren Beatty of movie fame, who played the parts of Bonnie and Clyde in the recent movie of the same name. If our caption on the cover didn't tip you off, then the little sticker on the windshield should be, excuse the expression, a dead giveaway.

Our 'Bonnie and Clyde' are, in real life, **Jeanne and Richard Parrish** of the Orange County Chapter. (Dick is President).....Ed note: They are also members of the Harbor Club.

The Orange County Chapter had a 'Bonnie and Clyde' night at the UA Theater in Santa Ana, CA where they were guests of the management for the opening night showing of the award winning movie 'Bonnie and Clyde'. About 40 club members created the appropriate atmosphere with their Model As

A follow up just in from Doris Marshall: Richard and Jeanne just celebrated their 50th wedding anniversary on June 4th. At a party celebration, 66 close friends shared a good time together.

Congratulations and many more!

Thanks to Harbor member, Jay Skinner, for this historical information
