### Tours

July is always the fun month with our weekend tour to the Solvang area for the annual 'Wings 'n Wheels' event sponsored by the Vintage Aircraft Association. It will be on **July 26th to the 28th**. The drive up is along the scenic Malibu coastline with a couple stops along the way. About 150 miles of fun driving.

### Technical Activities

Something a little different. Right before the Wings 'n Wheels trip, Jim Speights arranged for the club to have a 'Balance your Wheels' seminar at Al's garage on **Sat, July 20th**.

We did a wheel alignment and a wheel balance using club tools.

### Upcoming Business Meeting

The **August** meeting will be **Friday, August 30th**. The meeting starts at 7:30 at Waleria clubhouse. Come early, help set up and talk to your Model A friends.

Also at the **August 30th** meeting, we will be having our annual **White Elephant** sale. Bring your unloved treasures to be auctioned

by none other than Bill Newell. Don't be late!

### Next Board Meeting

The next board meeting will be the El Segundo Driving Museum on **Tuesday, August 6th** at 7PM. We'll discuss current status and future events. All members welcome.

***It's Summertime, and the Livin' is Easy . . .***

Summertime and living is easy...OK, maybe not, but it sure has been a great July! The Harbor A's have been on the road and having fun. Our club continues to expand with new members. This just adds more of us to enjoy our cars and new adventures. We welcome Mr. Dick Wenker and hope to continue to grow in numbers.

Our recent tour to the Reagan Presidential Library was outstanding. This is the largest and more comprehensive of all the libraries. My personal favorite was the special presentation of the life of Abraham Lincoln...very well done. Mr. Mirco Pisu will now own the infamous "thumb" for a mechanical breakdown and towing of his truck. The big event for July will be the "Wings & Wheels" tour. This will our first time and it looks like the Harbor A's will have several members in attendance.

The regular business meeting scheduled for Friday, August 30<sup>th</sup> will include our annual "White Elephant" sale...let's all see what in that garage that we can sell. This is always a great time with Mr. Bill Newell as our 'master of ceremony'.

Thanks to all for your continuing attendance at dinner Monday nights. Drop me a line and Let me know what's on your mind, new ideas for tours and special events are always welcomed.

Be safe out there!

*Monty*

### Editor's Corner by Dick Wyckoff

The Wyckoffs and the Gordiniers took an 8-day trip (in our modern) to central Oregon to the Sisters quilt show. Stopped at Sacramento Vintage Ford and Crater Lake along the way. While in Bend, Oregon, we met up with members of the High Desert As of Central Oregon. They are sponsoring the Northwest Regional

Group meet in September. Great bunch of guys. They have some great tours lined up in some very scenic areas. We visited family on their ranch in the little town of Bly. So relaxing. Took 395 home. Spectacular this time of year. We went 2100 miles with no problems.

Changing the subject a little, we editors are always looking for articles of interest to put in the newsletters. There must be some interesting Model A stories waiting to be told. For instance: How long have you had your car? Was it your first car? Have you driven it on some great journeys? Was it a family car? Did you restore it yourself? Do you have before and after pictures? Did you take a neat picture at a club event? Email them to me, or if you have photos, I can scan them and put them in the newsletter. Either way, let me know.

I have been encouraging new members of the Harbor club to receive the HarborLight by **email**. I am also asking existing members to do the same. Just let me know your current email address. It's that simple. The club saves a little more than one dollar each month per email subscriber. I have an email distribution now of 39 people from the Harbor Club and 34 others. This is more than \$800 per year savings, **AND** it is in **color**! You can print it out in B&W or color if you want, enlarge it, send it to your friends, or save it in your computer files. Again, just let me know your email address. If you want a sample email version, let me know also. I will send you one.

The newsletter is distributed to many other clubs locally and to other parts of the country. If you have an **item for sale**, let me know. I will put it in the '**Wheels and Deals**' section. Thanks . . .

Many people have clever ideas but they may be too elaborate or expensive to do.

Here are two simple and inexpensive ideas maybe you could use. Check 'em out!

## Harbor 'Sunshine Status' by Doris Marshall

**Pat Harrison's** dad passed away peacefully at age 90. He has been living in Palm Springs and was under hospice care. Our thoughts and prayers are with you at this time.

**Art Wagner** had emergency gall stone surgery and is recovering well. He is able to eat pancakes again for breakfast, so his outlook is fine. See you at the meeting, Art.

*From Daffy Wagner:* Would it be possible if it's not too late to put a little article to thank the members for the cards, phone calls and prayers that we received for Art. We really appreciated it. thanks, Daffy.

### Saturday Morning Coffee Gathering

If you are looking for a little tire-kicking adventure on **Saturday** mornings between 7 and 9AM, check out the Caffeine Cruisers at the corner of Artesia Blvd. and Hawthorne, in Torrance, CA. Several of the Harbor Model A club members and other car enthusiasts of all car types meet to talk cars. There are some very nice autos and some nice people there, too! The address is 17400 Hawthorne Blvd., Torrance CA. Come on by, have a cup of Starbucks, and get your weekend started in true So. California style.

### "Cruise at the Beach" Friday afternoon at Ruby's Diner:

All summer long, Ruby's Diner 245 N. Harbor Drive, in Redondo Beach (by the pier) will host a weekly gathering of fun cars. This event can bring as many as 150 cars of all types. Classics, Concours, hot rods, antiques, sports cars, motorcycles, and Model As. Many Harbor Club members show their cars and enjoy a great meal in the diner. Check it out. Times are about **4PM to 7:30PM every Friday**. There is a nice raffle and trophies are awarded each week. Parking is free to participating cars. This event will continue all summer until October 25th, 2013. See you there.

## 2013 Membership, Roster and Club Items: by Ursula Schmidt

The new, updated **2013 Harbor phonebooks/rosters** are available at all get-togethers. The first booklet is free to members. Additional copies are \$1. They are also available free of charge through e-mail. Club members that don't attend events can request a phonebook/roster by mail. Contact **Ursi Schmidt** at 310-539-5391.

**Just a note:** We regularly update the roster. If you have any address changes, phone number changes or email changes, let Ursi know.

Also available are embroidered ball caps with the club's logo. Available in many colors \$15. There are club T-shirts, pins, and 50th anniversary cookbooks still available, too. Please call **Jan Wyckoff** at 310-322-8863 to place your order.

### New Club jacket info from Jan:

Sixteen jackets were ordered and are in the process of being embroidered with the club logo. Should be available soon.

**New Member:** The club welcomes new club member **Dick Wenker** to our Harbor Area Model A Club. They live at 2644 W. 231st St. in Torrance, CA 90503. Their home phone number is 310-325-8461 and their cell phone number is 310-613-8461. Email: Dickwenker29@att.net

## **Business Meeting Minutes**

### **Walteria Clubhouse**

**Date: Friday, June 28, 2013**

**President:** Monty Bates called the meeting to order at 7:35 p.m.

**Salute to the flag** Led by Jack Gordinier

**Recognition of Past Presidents:** Dick Wyckoff only past president in attendance

**Minutes of Previous Meeting:** Approved as published in HarborLight

**Vice President:** We have lots of donated prizes.

**Treasurer:** Our finances are in good shape.

**HarborLight Editor:** Encouraged people to place Wheels & Deals ads in HarborLight. Our HarborLight was recognized as one of the Top 10 in the U.S.!!

**Historian:** On vacation

**Membership:** On vacation. We had 45 in attendance.

**Membership Drawing:** Donnis Bates won the woman's prize. Joe Freitag won for the men. Phil Bonneau won the clock prize.

**Technical & Safety:** There will be a Technical in Al's garage on July 20<sup>th</sup> at 10 a.m. We will be doing wheel balancing to get ready for Wings & Wheels. They need cars for Thursdays at Al's

**Sergeant at Arms (badge money):** \$1.65 was collected.

**Sunshine:** Art Wagner is sick again, to see the doctor tomorrow. Pat Harrison's 90 year old father passed away. Bob Trousil passed away. He was a former MAFCA President and had been very helpful to the Pisu's when they had car trouble at a Wings & Wheels.

**Birthdays and Anniversaries:** June birthdays: JoAnn Moore, Joan Gordinier, Fran Earhart, Barney Clayton and Andy Soto. Anniversaries: Jeanne & Richard Parrish, 53 yrs., Diana & Marty Murphy, Bill & JoAnn Moore, Kathy & Jim Valot, 44 yrs., Greg & Fran Earhart 50 yrs., Willie & Darlene Duncan and Cliff & Teresa LeFall.

**Tools Coordinator:** Bobby D. said the club has 24 tools which can be loaned out with a \$20 deposit. Upon return if the tool is in good shape the \$20 is returned. He'll have a list of club tools in an upcoming HarborLight. He showed a steering wheel puller that had just been returned.

**Tours:** July 21 tour of the Ronald Reagan Library, \$16 entry includes a guided tour. They have Abe Lincoln artifacts on display. It's the 150<sup>th</sup> anniversary of the Emancipation Proclamation. You can bring a lunch or buy something there. Wings & Wheels in Solvang is July 26-28. Cost of \$85 includes a tour, picnic lunch, dinner and breakfast at the airport. Anyone want to plan a tour in August when Pisu's are in Italy?

**Web Master:** On vacation

**Old Business:** Next Club meeting will be held on Friday, July 19<sup>th</sup> as several members will be in Solvang on the 26<sup>th</sup>, our regular meeting night.

**New Business:** There is a swap meet in Placentia on Sat. put on by the Long Beach Model T club. Our club banquet will be Jan. 18<sup>th</sup> at the Proud Bird with menu choices of fish, beef or chicken for \$39.57. We had several new guests, Jim Huizdos who has a restored 31 Roadster. Andrew Wenker, his grandson Dick and a friend visited. Andrew had a 1929 Model A that he made two trips to Texas in, sold it in 1950. Andrew seemed to like our club, he and Dick ordered club jackets! Teresa LaFall won 4 prizes at the Henry Ford Picnic, one of which was the battery the club donated. Fran Earhart won \$190 in a 1/3, 1/3, 1/3 drawing. Bill Newell introduced his granddaughter Leena. Richard Parrish showed a picture of 384 Model As at the Biltmore Museum built by the Vanderbilts, taken on their trip to the MAFCA National Tour in the Great Smoky Mountains. Richard Parrish announced a International Model A Ford Day gathering hosted by the Orange County Model A club on Sat., Sept. 28 at the Mason Regional Park in Irvine. Near the 55 & 405 freeways. Cost is \$10 for a hot dog lunch. Lots of parking, \$5 to get in the park. Elaine Pisu had a tour planned for that same day, she was going to see if she could reschedule it for the next day.

**Refreshments hosted by:** Georgette and Daffy.

**Next General Meeting:** Friday July 19<sup>th</sup>. (one week early)

**Next Board Meeting:** Tuesday, July 9<sup>th</sup> (one week later)

**Meeting adjourned at:** 8:37 p.m.

Respectfully submitted; Jan Wyckoff, Acting Secretary

### Summer Driving Check-list

PAGE 446

FORD SERVICE BULLETIN for April

## Service Information

### CHECK ELECTRICAL EQUIPMENT

After several months of winter driving, it is an excellent plan to check over all electrical equipment on the car. This not only adds to the performance of the car, but it may prevent unnecessary trouble later on. Here are some points which should be thoroughly gone over, especially at this season of the year.

#### Generator

Remove dust cover and clean commutator with a cloth. Use a small piece of wood to clean gaps between segments. Examine the brushes; if badly worn, they should be replaced. Adjust charging rate for summer driving—6 to 8 amperes at 25 miles per hour should be sufficient. This rate can, of course, be increased or decreased, depending upon the conditions under which the car is operated. The charging rate should be adjusted with a master ammeter.

#### Starter Motor

Remove dust cover and clean the commutator the same as on the generator. See that all electrical connections are clean and tight.

#### Battery

Remove floor boards; this will give free access to all parts of the battery and its connections. Clean the top of the battery and the terminal connections with a mild solution of sal soda or with a cloth moistened with ammonia. The top of the battery should then be flushed with water, wiped dry and the terminals cleaned and coated with a light grease or vaseline. Add distilled water to the battery until the tops of the plates in each cell are covered.

#### Lamps

Headlights should be checked for focus and alignment. All lamps should be checked to see that none of the bulbs are burnt out and that all connections are clean and tight.

#### Horn

Remove cover at rear of horn and thoroughly clean commutator. Use a small piece of wood to clean the gaps between the commutator segments. Do not use wire or metal of any kind. Place a few drops of oil in the groove at each end of the armature shaft. Check tone of horn, if necessary regulate by means of adjusting screw.

#### Distributor

Contacts on the distributor body and on the rotor should be cleaned with very fine

sandpaper. This will remove any corrosion on the contacts. Corrosion sets up a high resistance in the secondary circuit.

Check the breaker point gap. The gap should measure between .018 and .022.

#### Spark Plugs

Remove spark plugs, thoroughly clean and adjust the points until the gap measures between .032" and .035". In some cases, where a motor does not idle satisfactorily, the gaps can be set slightly larger. Engineers state that best results are obtained by replacing spark plugs every 10,000 miles.

#### Coils

Thoroughly clean off any dirt, grease or moisture from the bakelite insulator on the coil. Moisture, dirt or grease cause a leakage of current that makes the coil seem weak or dead. (See Page 368, August, 1929, Bulletin for detailed instructions.)

#### Windshield Wiper

Being exposed to the weather, the ground connections on the electric windshield wiper should be thoroughly cleaned. The commutator wiped with a cloth or fine sandpaper. Oil on the commutator, rust on the windshield frame at point of ground contact and poor connections cause most windshield wiper trouble.

All electrical connections on the car should be carefully gone over. Poor connections often cause trouble on the road and are difficult to locate.

#### Lighting Switch

Remove the lower section of lighting switch and wipe out any oil or grease that may have leaked down from the steering gear. This grease has a high resistance and will lower the candle power of head lights.

### WARM WEATHER SHOCK ABSORBER ADJUSTMENT

Shock absorbers should also be adjusted for warm weather driving. Turning the square end of the needle valve changes the adjustment. The average adjustment for rear shock absorbers during warm weather is made as follows:

Screw needle valve in until it seats, then back valve off  $\frac{1}{4}$  turn. For front shock absorbers back valve off  $\frac{3}{8}$  of a turn.

These settings are of course only approximate, as due to the individual characteristics of each instrument it is difficult to lay down any hard and fast rules as to exact settings.

## **Tours and More Tours**

By Elaine Pisu, Tour Director

A nice contingent of 23 Harbor folks make the trip to the **Ronald Reagan Presidential Library and Museum** this last Sunday. The skies were a little threatening and most drove their moderns. The hardy soles to drive their As were the Pisu and the Avoians. Good for them. We met at the museum and were greeted by a very cordial staff and tour director. The tour was very interesting and inspirational. In addition to the many Reagan items on display, the museum was featuring a great collection of artifacts from the Abraham Lincoln presidency. Very interesting and enlightening. The museum is highly recommended as a tour destination for other car clubs.

After a pleasant lunch at the museum, we headed home. Wait! Not so fast! We could not get Mirco's car to start. A fix-it party ensued, but to no avail. After many attempts at tweeking things, a flatbed was called and Mirco and Elaine got a ride home. Hope we can figure it out before Wings and Wheels.

## *More from the Ronald Reagan Library Tour*

As mentioned, part of the tour at the Reagan Library tour was a display of artifacts from our 16th president, Abraham Lincoln. This year is the 150th anniversary of the Emancipation Proclamation that freed the slaves. Articles from Lincoln's life were displayed in a beautiful setting. At that time, all correspondence was handwritten, therefore there are many original copies of Lincoln's handwriting. One of three known Lincoln stovepipe hats was on display also.

Not to be forgotten are some pics of Mirco's truck and sidewalk seminar.

Lincoln's hat, his famous signature, and a reproduction of his office.

Mirco's truck being loaded onto a tow truck. Elaine is documenting the event.

The Harbor Area A's meet monthly on the last Friday of every month at the Walteria Park Clubhouse, located at 3855 W. 242nd St. in Torrance, California. Meetings begin at 7:30 PM (The park is located about 1-1/2 blocks west of Hawthorne Blvd. and one block south of Pacific Coast Hwy.) We'd like to invite all interested parties, even if they don't own a Model A Ford, to come and join us. Our goal is to educate the public about Model A Fords and have fun while doing it.
