Tours

Some fun events coming up in the near future.

The **March** tour will be to see the Endeavour shuttle spacecraft. See page 7.

The CCRG in Santa Maria is always a fun time. Great tour to Vandenberg is planned.

This will be **April 10-12.**

As you can see, some fun events in the near future.

Technical Activities

We're planning the yearly Safety Seminar. Might be in March this year. Stay tuned!

We are looking for a new project. How about bringing you're A in to Al's Garage and having the wheel bearings packed and the brakes inspected? Oil changed?

If you have another project that needs help, let Cliff LeFall know and we will get it going. Everyone learns from these projects. Join us each Saturday at Al's garage.

Upcoming Business Meeting

The **February** meeting will be back at the WALTERIA clubhouse, **Friday February 27th at 7:30PM.** Join us for a fun time and a chance to greet our new members.

The **March** business meeting will be either **Saturday, March 21st** at our annual Safety seminar (in progress), or **Friday, March 27th.** More to come.

Hope to see you there!

Next Board Meeting

The **March** Board meeting will be on **Tuesday, March 3rd, 7PM** at the **Toyota Auto Museum, 19600 Van Ness Ave., Torrance CA.** We will be planning upcoming events. All are welcome

A Note from our President
Tim Harrison

"A" View from the Slow Lane

A big **Thank You** to all who attended our annual banquet at the Proud Bird. The raves on the food, Monty's opportunity drawing and the social hour makes this one of our top events. It was nice to see members we don't regularly see and catch up on new happenings. It was also nice to welcome our new members. Our recognitions of "Man of the Year" **Monty Bates** and "Woman of the Year" **Jan Wyckoff** were well deserved. Donnis Bates' slide show gave a great recap of the women honorees of the past.

As we embark on 2015 with all of our events and tours, I would like to challenge our membership to enroll 20 new members to share our interests and knowledge in the Ford Model A.

On Tuesday, February 10, over 40 Harbor Area Members attended a celebration of life at the Inglewood Cemetery for Doris and Drain's son, Thom Marshall. Many friends shared stories and remembrances of Thom's achievements in life and the film industry.

This year is filled with important dates:

- April 17 Ruby's First Friday Car Show
- April 26 Orange County Pancake Breakfast
- June 28 Henry Ford Picnic at Heritage Park
- July 17-18 Wings and Wheels in Solvang

I look forward to sharing with you participation in these and many other events this year.

Tim

Wings 'n Wheels 2013

Harbor 'Sunshine status'

Our thoughts go out to Doris and Drain Marshall with the untimely passing of their son **Thom Marshall**. Thom supported the club both as a member and as a friend. His fascinating career stories of the movie industry and his car racing adventures will be missed. Rest in Peace, Thom.

Members **Bob and Carol Olsen** have been fighting a cold and the flu for a while. Hopefully they can fight this off so Bob can have sinus surgery in March. Hope to see you soon at some of the club's activities.

Editor's Corner

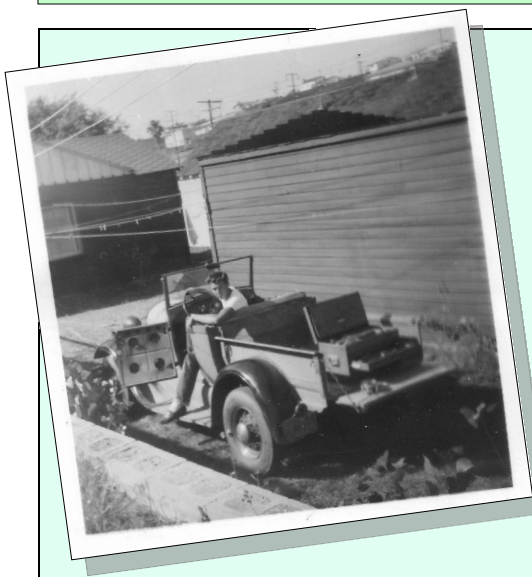

by Dick Wyckoff

I was very pleased at the support by the club at the funeral of Thom Marshall. If my numbers are correct, we had 41 people and seven cars in attendance. Thanks.

I am looking forward to the very big San Diego swap meet. Like I always say, "I didn't know I needed it until I saw it!" Swap meets are like that. . .

Jan and I are signed up for the CCRG in Santa Maria in April. We have been going for several years now and always have a great time. I know others from Harbor are going, too. We will see you there.

I recently ran across the picture on the left of my '29 roadster pickup and me. It was my first car. Picture was taken in Playa del Rey, CA about 1960. I was working on my neighbor's Model A at the time. That was 55 yrs ago! I still have the car. . . Was \$150 too much to pay?

A little behind the scenes info and requests from the editor

We are still on for Mondays, 5pm at **Hof's Hut**, 237th and Crenshaw in Torrance. Can't forget the food! Join in the activities. We get 25 - 30 members there!

We editors are always looking for articles of interest to put in the newsletters. There must be some interesting Model A stories waiting to be told. For instance: How long have you had your car? Was it your first car? Have you driven it on some great journeys? Was it a family car? Did you restore it yourself? Do you have before and after pictures? Did you take a neat picture at a club event? Email them to me, or if you have photos, I can scan them and put them in the newsletter. Either way, let me know.

I have been encouraging new members of the Harbor club to receive the HarborLight by **email**. I am also asking existing members to do the same. Just let me know your current email address. It's that simple. The club saves a little more than one dollar each month per email subscriber. I have an email distribution now of 45 people from the Harbor Club and 34 others. This is more than \$800 per year savings, **AND** it is in **color!** You can print it out in B&W or color if you want, enlarge it, send it to your friends, or save it in your computer files. Again, just let me know your email address. If you want a sample email version, let me know also. I will send you one.

The newsletter is distributed to many other clubs locally and to other parts of the country. If you have an item for sale, let me know. I will put it in the '**Wheels and Deals**' section. Thanks . . .

[Saturday Morning Coffee Gathering](#)

If you are looking for a little tire-kicking adventure on **Saturday** mornings between 7 and 9AM, check out the Caffeine Cruisers at the corner of Artesia Blvd. and Hawthorne, in Torrance, CA. Several of the Harbor Model A club members and other car enthusiasts of all car types meet to talk cars. There are some very nice autos and some nice people there, too! The address is 17400 Hawthorne Blvd., Torrance CA. Come on by, have a cup of Starbucks, and get your weekend started in true So. California style.

[Monday Supper at Hof's Hut](#)

We have been meeting for dinner on Monday at Hof's Hut on 237th and Crenshaw for a while now. The food is good and the staff takes good care of us. Come on by and join in the festivities. Time: about 5PM.

[It's Annual Dues Time Again](#)

A reminder from Ursi: Annual dues are due. Club dues are \$25. **MARC** dues are \$40. If you send Ursi a check for \$65, she will pay both dues. Send check to: Ursi Schmidt 26419 Pineknoll Ave., Harbor City CA 90710. Any questions, call her at 310-539-5391.

MAFCA dues is payable directly to **MAFCA**. \$40. MAFCA 250 S. Cypress St., La Habra CA 90631-5515. Late payment of dues to the national clubs could lead to not receiving the national magazines!

[2015 Membership, Roster and Club Items:](#) by Ursula Schmidt & Jan Wyckoff

The new **2015 Harbor phonebooks/rosters** are available at all get-togethers. The first booklet is free to members. Additional copies are \$1.50 They are also available free of charge through e-mail. Club members that don't attend events can request a phonebook/roster by mail. Contact **Ursi Schmidt** at 310-539-5391. Make sure Ursi has your current info.

Just a note: We regularly update the roster. If you have any address changes, phone number changes or email changes, let Ursi know. Let Dick Wyckoff know, too. He'll put the info in the HarborLight.

Jan Wyckoff got in a new shipment of Harbor polo shirts. She has blue, grey and some new white shirts available for sale at \$20 each. Hopefully she has your size as they are going fast! Those of you that ordered one in advance, she has them ready for pickup. Be sure and wear them to the club's events. Elaine Pisu found some more blue vests. See Jan for details. They run \$31.

How about a ball cap to go with the shirt or vest? Jan has them, too.

Correction: Donnis Bates' phone number is: **310-713-5830**. Typo in last month's HarborLight... Sorry!

[A Note from Doris and Drain Marshall](#)

Just a note of thanks to all who called, said prayers, penned notes, sent flowers and attended the funeral services of our son, **Thom Marshall**. Thom was a good person, a great father and fine friend. He worked hard, loved life and every one who knew him is a better person because of him.

The Harbor club's support at the funeral services will not be forgotten. 40 plus members and seven Model A's attended the memorial and shared our final good-byes. We thank all of you again for your support.

Trivia...

Ford, who made the first pick-up trucks, shipped them to dealers in crates that the new owners had to assemble using the crates as the beds of the trucks. The new owners had to go to the dealers to get them, thus they had to "pick-up" the trucks. And now you know the "rest of the story"

Touring with Elaine
By Elaine Pisu, Tour Director

Movin' Right Along...

Had a great time at the Super Bowl party. Lots of good food and we even had an exciting game this year.

Our guest from Italy, **Francesca**, won the football pool. She learned a lot about the sport and said that winning the pool made it even more fun.

For those of you that have never been to a CCRG, make the effort to attend the weekend event. Information is on-line. It's OK to take a modern if the A isn't up to the task. We'll see you there!

MODEL "A" PRODUCTION FIGURES AUTHENTICATED

From time to time we have heard that Ford built 5,000,000 model A's. Some publications have stated 5.2 million. A recent article by Time Magazine about the 1965 MARC National Meet listed 4,849,340. This figure was taken from the Ford Model A Restoration Manual and it represents the number of model A engines built at the Rouge Plant. As a result of this article George De Angelis and Ed Francis of our Model "A" News staff made a special trip to the Ford Archives. With the help of archivist Win Sears who steered them to a box marked accession 622, containing Ford production figures from 1903 to 1943. Here are the correct figures on Model A Production.

World wide, there were 5,068,614 "A" and "AA" vehicles built. Of these, 4,801,823 were built in U.S. plants and 266,791 were built in Canada. Of the 4,801,823 which were built in the U.S. plants 467,641 were shipped to foreign countries including some to Canada. In addition to the car production, 45,517 engines built at the Rouge were put to some industrial use.

In general, production of the Model "A" terminated in December of 1931 and all plants started the "Change-over" to the Model "B". The exception is that a few plants were designated to keep producing commercial vehicles and special orders for foreign markets. These plants continued production until March of 1932 and produced 46,897 commercial vehicles and 45 passenger cars which were shipped overseas.

Following is a chart of production by years:

1927	4,186
1928	818,734
1929	1,951,092
1930	1,485,602
1931	762,058
1932	46,942

Flat Tire Beer Bread

So named because the beer you use should be room temperature, although flat Fat Tire beer would be a great choice for this bread.

- 3 Cups all-purpose flour (see note)
- 3 tsp. baking powder
- 3/4 tsp. salt
- 3 TB. sugar
- 1 12-oz. bottle beer (pretty much any beer will work), room temperature
- 1/4-1/2 tsp. GRANULATED GARLIC POWDER, optional
- 1-2 tsp. HERBS (PARSLEY, SAGE, ROSEMARY or THYME) or your favorite HERB BLEND, optional

Preheat oven to 350°. In a large bowl, combine all of the ingredients and mix well. Spoon into a greased 4 1/2 x 8 1/2-inch loaf pan. Bake at 350° for 1 hour. Serve warm.

Note: You may substitute 3 Cups of self-rising flour for the all-purpose flour, omitting the baking powder and salt, which makes this recipe even easier!

The Harbor Area A's meet monthly on the last Friday of every month at the Walteria Park Clubhouse, located at 3855 W. 1242nd St. in Torrance, California. Meetings begin at 7:30 PM (The park is located about 1-1/2 blocks west of Hawthorne Blvd. and one block south of Pacific Coast Hwy.) We'd like to invite all interested parties, even if they don't own a Model A Ford, to come and join us. Our goal is to educate the public about Model A Fords and have fun while doing it.
