*"A" View from the Running Board*

The month of March has most certainly been an interesting time for your President. As many of you already know I underwent a surgical correction for blocked arteries that resulted in two (2) stents. I join a small group of members with these life-saving devices. I am on the mend and look forward to an active year.

April is a busy month for the Harbor A's...our annual Safety Check/Inspection on the 9th, the great Orange County Pancake Breakfast on the 10th. In addition, the 2016 CCRG will be held in Clovis on the April 15-17 with several club members attending.

One of my personal goals for this year is expanding our membership. We are one of the largest clubs now but there is always room for new members!! I welcome all ideas that will help us increase membership especially younger members. Our love for the Model A is contagious. We continue to enjoy our Saturday mornings at Al Avoian's garage with many satisfied "customers".

Thanks to all for your kind cards, phone calls and visits...it meant a lot. Be safe out there, folks.  
Best regards,

*Monty*

*Sunshine Status*

Our President, **Monty Bates**, had a little scare this last week. He felt a little chest pain and immediately went to his doctor. They determined he had a blood vessel blocked about 80% and needed a stent right away. It turns out, he needed two stents! He is doing fine and feeling better all the time. Good call, Monty!

Long time member, **Gary Guttormson**, hasn't been at our events recently and has not been feeling well. The editor is not quite sure what the concern is, but a 'Get Well' card to Gary would be appreciated. Hope to see you soon, Gary.

**Donnis Bates'** father passed away last week at the age of 94. Services will be held in San Diego on Monday, March 28th. This has been a rough couple weeks for the Bates with Monty's procedure and Donnis being down with the flu. Our thoughts and love go out to you both at this difficult time.

### Editor's Corner

By Dick Wyckoff

As always, the San Diego Qualcomm swap meet was a lot of fun. Bought some small things I didn't know I needed!

I was pleasantly surprised with the MAFCA award 'Certificate of Merit' for the HarborLight newsletter. It is always rewarding to know your efforts are appreciated!

Looking forward to the upcoming club events and the MAFCA National Meet in Loveland CO. Jan and I attended a similar event in Breckenridge CO a couple years back and had a great time. For those that have never attended a National Convention, do it. Lots of great cars and, of course, nice people. It is worth the effort.

Long time member, Vince Migliazzo, called me and needed help getting his late '31 coupe started. It hadn't run in a couple years. I took a few tools with me and with a good charge on the battery, we got it running in short order. Sounds really nice. It needs a little more tinkering, but the hard work is done. A really nice car!

Hope to see you all at the Safety meeting Sat. April 9th and then the Orange County pancake breakfast the next day! I love this stuff!

### A little behind the scenes info and requests from the editor

We editors are always looking for articles of interest to put in the newsletters. **There must be some interesting Model A stories waiting to be told.** For instance: How long have you had your car? Was it your first car? Have you driven it on some great journeys? Was it a family car? Did you restore it yourself? Do you have before and after pictures? Did you take a neat picture at a club event? Email them to me, or if you have photos, I can scan them and put them in the newsletter. Either way, let me know.

I have been encouraging new members of the Harbor club to receive the HarborLight by **email**. I am also asking **existing members** to do the same. Just let me know your current email address. It's that simple. The club saves about \$1.25 **each month** per email subscriber. I still snail mail 45. I have an email distribution now of 54 people from the Harbor Club and 34 others. This is more than \$850 per year savings, **AND** it is in **color!** You can print it out in B&W or color if you want, enlarge it, send it to your friends, or save it in your computer files. Again, just let me know your email address.

**If you want a sample email version, let me know also. I will send you one.**

The newsletter is distributed to many other clubs locally and to other parts of the country. If you have an **item for sale**, let me know. I will put it in the '**Wheels and Deals**' section. Thanks . . .

### **Saturday Morning Coffee Gathering**

If you are looking for a little tire-kicking adventure on **Saturday** mornings between 7 and 9AM, check out the Caffeine Cruisers at the corner of Artesia Blvd. and Hawthorne, in Torrance, CA. Several of the Harbor Model A club members and other car enthusiasts of all car types meet to talk cars. There are some very nice autos and some nice people there, too! The address is 17400 Hawthorne Blvd., Torrance CA. Come on by, have a cup of Starbucks, and get your weekend started in true So. California style.

### **Monday Supper at Hof's Hut**

We have been meeting for dinner on Monday at Hof's Hut on 237th and Crenshaw for a while now. The food is good and the staff takes good care of us. Come on by and join in the festivities. Time: about 5PM.

### **"Cruise at the Beach" Friday afternoon at Ruby's Diner**

Starting on **Friday, April 8th** and all summer long, **Ruby's Diner** 245 N. Harbor Drive, in Redondo Beach (by the pier) will host a weekly gathering of fun cars. This event can bring as many as 150 cars of all types. Classics, Concours, hot rods, antiques, sports cars, motorcycles, and Model As. Many Harbor Club members show their cars and enjoy a great meal in the diner. Check it out. Times are about **4 to 7:00 PM every Friday**. There is a nice drawing and trophies are awarded each week.

Parking is free to participating cars.

This event will continue all summer until October 28th, 2016

### **2016 Membership, Roster and Club Items:**

by Ursula Schmidt & Jan Wyckoff

The new **2016 Harbor phonebooks/rosters** are available at all get-togethers. The first booklet is free to members. Additional copies are \$1.50. They are also available free of charge through e-mail. Club members that don't attend events can request a phonebook/roster by mail. Contact **Ursi Schmidt** at 310-539-5391. Make sure Ursi has your current info.

**Just a note:** We regularly update the roster. If you have any address changes, phone number changes or email changes, let Ursi know. Let Dick Wyckoff know, too. He'll put the info in the HarborLight.

**Just In!** We have received a new order of long-sleeved denim shirts with the club's logo on them. Men's and Women's sizes. See Jan at the meeting. Price \$28. (XXL—\$30) These are going fast. . .

**Jan Wyckoff** has a nice selection of Harbor polo shirts. She has blue, grey and some new white shirts available for sale at \$20 each. Hopefully she has your size as they are going fast! Jan just got a new order in. Check them out. Be sure and wear them to the club's events.

Warm Vests? We've got 'em. They run \$31.

How about a ball cap to go with the shirt or vest? Jan has them, too.

### **Merchandise Sale!**

## **Touring with Elaine** By Elaine Pisu, Tour Director

**April and May are going to be great!!**

**Saturday, April 9<sup>th</sup>** at **9:00 AM** is our pot luck safety check and please remember that in order to get a roadrunner patch you must have your car safety checked. Plus, it's always a great time!! This is where you bring your Model A to the meeting and a group of inspectors look at your car mainly for safety. This includes windshield wipers, fire extinguisher, lights, horn, etc. This year, thanks again to Pat Tucker and her son Keith, we will meet at their home at 21808 Dolores St., Carson CA 90745. Time is 9AM. We usually check 15 to 20 cars, so it is a busy day. Time to enjoy visiting with your Model A friends and have fun doing it! Pot luck 'assignments' are **A-L main dish, and M-Z salads and side dishes**.

The 55<sup>th</sup> Annual Orange County **Pancake Breakfast** is on **Sunday, April 10**. We will meet at Harbor Freight (Hawthorne and Artesia) at **6:45 AM** and leave at **7:00** and take the freeway to Hart park in Orange. It is about a 45 minute drive at 45MPH. Some take the surface streets and it takes about an hour. This is always a GREAT event. We normally get around 275—350 old cars there. Most are Model As but some other vintage iron shows up also. Many of us will go to lunch at Watson's Drug Store in Orange before driving home. CW Moss is nearby if you need some Model A hardware.

The weekend following the Pancake Breakfast, **April 15-17**, is the **CCRG** in Clovis. We always have a good turn-out for that event so let's talk and plan to caravan up to Clovis. Several have signed up for the event. Some are driving or trailering their Model As and others are taking their moderns. All are welcome!

We are working hard on our Solvang event so if you haven't made your hotel reservations do it soon for **July 15-17**. Friday we are going to see "**Shrek the Musical**" at the Solvang Festival Theater. Weeg Thompson is coordinating tickets for the live performance.

Just a reminder: Wear your Harbor shirts and jackets to these events!

SAVE THE DATE: **Sunday, May 1, 2016**. More to come.

That's all for now. When some new fun events develop, we'll post them right here!

Ciao for now,

**Mama Pisu**

**Whale watching in Southern California**

## *Some Random Personal Thoughts. . . .*

- My goal for 2016 was to lose just 10 pounds. Only 15 to go.
- Ate salad for dinner! Mostly croutons & tomatoes. Really just one big, round crouton covered with tomato sauce. And cheese. FINE, it was a pizza. I ate a pizza.
- How to prepare Tofu:
  1. Throw it in the trash.
  2. Grill some meat.
- I just did a week's worth of cardio after walking into a spider web.
- I don't mean to brag, but..... I finished my 14-day diet in 3 hours and 20 minutes.
- A recent study has found that women who carry a little extra weight live longer than men who mention it.
- Kids today don't know how easy they have it. When I was young, I had to walk 9 feet through shag carpet to change the TV channel.
- Senility has been a smooth transition for me.
- Remember back when we were kids and every time it was below zero out they closed school? Me neither.
- I may not be that funny or athletic or good looking or smart or talented....I forgot where I was going with this.

### Interesting Article from the February 1973 HarborLight

Member **Frank Young** spotted a lady in a stalled station wagon during a heavy rainstorm recently in the Pacific Palisades CA area. He stopped to render assistance and when he couldn't get the car started, he offered to phone from his mobile-service unit, or drive her home. . . . Which he did. And that is when he found out that the lovely lady was Mrs. Nancy Reagan!

The Harbor Area A's meet monthly on the last Friday of every month at the Walteria Park Clubhouse, located at 3855 W. 1242nd St. in Torrance, California. Meetings begin at 7:30 PM (The park is located about 1-1/2 blocks west of Hawthorne Blvd. and one block south of Pacific Coast Hwy.) We'd like to invite all interested parties, even if they don't own a Model A Ford, to come and join us. Our goal is to educate the public about Model A Fords and have fun while doing it.
