**A View From the Slow Lane**

The summer is two-thirds over and we need to look forward to next year and those people who have contributed to the day to day workings of the club.

Our Board of Directors is made up of two-year term officers and one-year members. The President, Vice-President, Secretary and Treasurer all serve two-year terms with the Treasurer being elected on the odd year so as to have continuity with the new and old Board. The Technical Director and Tour Director are both elected for one-year terms.

Appointed officers are asked to take needed jobs on a year to year term as they feel able to continue. Appointed officers include: Membership, Safety, Refreshments, Sunshine Secretary, Sergeant-at-Arms, Tools, Advertising, Merchandising, Newsletter Editor and Webmaster.

Our Directors and Officers are a group of distinguished volunteers who put "service above self" Rotary motto.

As we look forward, October is the month to start nominating new directors to carry on the next one or two-year terms. Volunteers can always depend on past officers for help and guidance on carrying out their individual jobs. President, Vice President, Secretary, Technical Director and Tour Director need to be filled for next year.

Engaging in new activities helps involve new members and encourage more members to participate in a variety of club activities.

I challenge you to practice raising your hand while standing in front of the mirror, engage current Directors and Officers about their job duties, and question your inner self about how you would like to serve. Remember we are here to have fun, learn about the Model A and learn more about fellow members.

*Tim*

### Editor's Corner By Dick Wyckoff

The Harbor Club had a great long weekend in Solvang CA. We call this our annual "Drive 'n Dine". Solvang is a Danish community North of Santa Barbara near Vandenberg AFB. The countryside is perfect for touring with our Model As. Many of us made a four day weekend out of the visit so we could get all the sights in. The weather was nice, mid-upper 80's. We found some new places to (what else) EAT!

A little update on Jan. She finished her series of radiation treatments for a spot on her lung. We will know more in a couple months, but the outlook is good. Thanks for all the cards and prayers. They work!

**Dick**

A view of the farm country in and around Solvang and Lompoc CA. Miles and miles of flowers and vegetables.

### Saturday Morning Coffee Gathering

If you are looking for a little tire-kicking adventure on **Saturday** mornings between 7 and 9 AM, check out the Caffeine Cruisers at the corner of Artesia Blvd. and Hawthorne, in Torrance, CA. Several of the Harbor Model A club members and other car enthusiasts of all car types meet to talk cars. There are some very nice autos and some nice people there, too! The address is 17400 Hawthorne Blvd., Torrance CA. (at Artesia Blvd.)

Come on by, have a cup of Starbucks, and get your weekend started in true So. California style.

### Ruby's "Cruise at the Beach"

**Ruby's Diner** 245 N. Harbor Drive in Redondo Beach (by the pier) hosts a weekly Friday gathering of fun cars all summer long. This event brings many cars of all types. Classics, Concours, hot rods, antiques, sports cars, motorcycles, and Model A's. Many Harbor Club members show their cars and enjoy a great meal in the diner. Check it out. There is a nice drawing and trophies are awarded each week. 3—7pm

Parking is free to participating cars. And the food at Ruby's is great too!

Hope to see you there.

### 2019 Membership, Roster and Club Merchandise Items

Gloria and Jim have a selection of new **Club merchandise**. We have hats, shirts, patches, t-shirts and we still have 60th anniversary items for sale at a discount. More to come.

The **2019 Harbor phonebooks/rosters** are available. The first booklet is free to members. Additional copies are \$1.75 They are also available free of charge through e-mail. Club members that don't attend events can request a phonebook/roster by mail. Contact **Ursi Schmidt** at 310-539-5391. Make sure Ursi has your latest info. **Just a note:** We regularly update the roster. If you have any address changes, phone number changes or email changes, let Ursi know. Let Dick Wyckoff know, too. He'll put the info in the *Harbor Light*.

### DISTRIBUTOR 4 CYL.

#### Distributor Cams

The distributor cams used in the "A" and the improved 4-cylinder cars are shown in Fig. 48. Mechanics and stock men should familiarize themselves with these two cams so as to readily identify them. On the cam used in the "A" distributor the radius does not blend with the flats. On the new distributor cam the flats blend with one side of the radius.

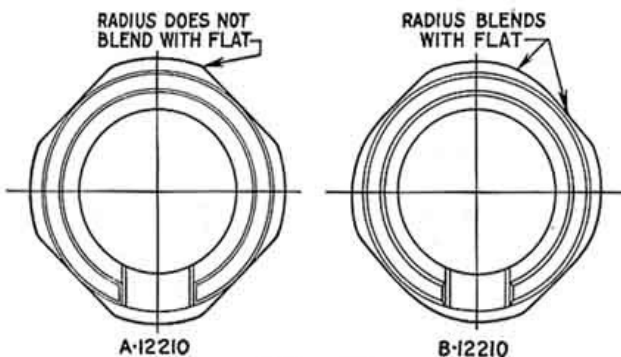

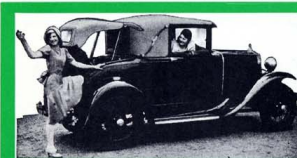

Fig. 48

The A-12210 distributor cam should never be used with the new distributor. Both A-12210 and B-12210 cams are available for service.

## **Touring with Elaine** By Elaine Pisu, Tour Director

### **AUGUST IS HERE!**

Harbor A'S had 2 great outings this past month.

Our annual "Drive 'n Dine" to Solvang was a blast!! Casino run was VERY successful for Monty Bates. CONGRATS!! Thanks to Weeg Thompson we had fun seeing the "**Million Dollar Quartet**" play at the Solvang theatre Friday evening. Another big **THANKS** to Jim & Elyse Beardsley and their friends Don & Jan Martin for planning our wonderful tour on Saturday. We took a great scenic back roads tour from Buellton to Lompoc and then went to Surf, CA. A good time was had by ALL. We had 31 people at dinner at AJ Spurs BBQ which everyone seemed to enjoy. If you haven't joined us on our Solvang Pilgrimage you should plan to join us. It really is a BLAST!! (See pics on page 9)

Our second outing was "**ROCK AROUND THE BLOCK**" in old town Torrance. We had 5 Model A's and about 20 members enjoy this annual, afternoon/evening summer old-time community fair. They had face painting, a cake walk, rock painting, a hula hoop contest and of course the In-n-Out truck served burgers. It is amazing how much fun our small town of Torrance really is. (Picture on page 8)

**Sunday, AUGUST 4<sup>TH</sup>** we will be participating in the **Wounded Warriors Car Show** in Redondo Beach at the Performing Arts Center 1935 Manhattan Beach Blvd Redondo Beach. This show benefits the Semper Fi Fund. Cost is \$40 to bring your car and free to spectators. **ALL PROCEEDS GO TO THE SEMPER FI FUND.** It's a wonderful event and we are hoping to have a BIG turn out!!! Bring your chairs and let's have some fun. All cars must be in place by 8:30 so we are hoping to park together and show our support for our Wounded Warriors.
