Tim's Tidbits
A Note from our
Outgoing President
Tim Harrison

A View From the Slow Lane

It has been a great two years as President of the Harbor Area Model A Club. We've been a lot of places, done a lot of things and most of all, we have added new friendships by advancing our goal of preserving and driving our Model As.

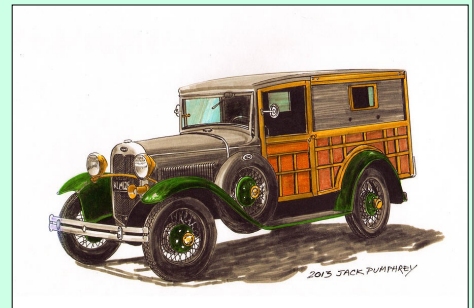

Now I get to pass the gavel to our new President, Wayne Sterling. I'm sure Wayne will continue encouraging new friendships and promoting our goals.

Someone asked me how my Station Wagon project is coming along. Well here is what I have done so far:

My 12 years of restoration of our 1930 Model A Woodie have included:

- stripped and re-varnished all the wood inside and out
- rebuilt water pumps
- rebuilt radiator
- made and installed rear seats
- installed all new shocks
- balanced all wheels and new tires
- rebuilt brakes
- rebuilt engine
- installed new solenoid
- fabricated and installed rear bumpers
- fabricated and installed box for side curtains under rear tailgate
- rebuilt clutch
- removed front fenders, straightened and repaired and repainted
- added right rear tail light and brake light

And I still have a short list. . . .

Model A Shuffle by Weeg Thompson

On Thursday, January 9, 23 intrepid souls showed up at Walteria Park clubhouse for our first "Model A Shuffle," a line dance class taught by dance teacher extraordinaire Renee Alexander. Renee taught us three dances, first breaking them down in manageable parts and allowing lots of practice in each part and then linking the parts together until we were doing the whole dance. Things got a little trickier when we had to do the dances to the music, but most everyone kept up with the moves, and no collisions occurred so we consider that a major success. Thanks to Theresa LeFall for providing the inspiration for this event and to Donnis Bates for coining the name.

Renee has agreed to continue the Model A Shuffle on the second Thursday of each month through June (so far). The class is \$5 per person. Please come out and join us for a little exercise and a lot of fun!

Editor's Corner By Dick Wyckoff

On the happy side, Hope everyone had a wonderful holiday season. Jan and I celebrated with family and enjoyed the season.

The last couple months have been met with both holiday happiness and sadness. Three of our club members, **Al Avoian**, **Jessie Dykes**, and **Vince Migliazzo** passed away. Services were well attended by club members and our thoughts and prayers go out to the families.

Looking ahead, there are some fun events coming up. The Orange County Pancake Breakfast is always a great tour. Also, make sure you sign up for the CCRG in Bakersfield in April. (See page 7)

Al's Garage has been busy making our Model As roadworthy. Monty's '31 Sedan has a new engine, Patrick's '31 Vicky is now running after sitting for 4 years. Daniel's '31 Station Wagon sounds good.

Looking forward to the installation banquet on the 25th. Always a fun event. . . See you there!

HARBOR AREA MODEL 'A' CLUB MEETING

The December meeting was our annual Christmas season supper on December 13th at the Stone Fire Grill in Torrance.

No formal business was addressed.

We then met at the Pisu's home for the annual 'Cookie Exchange'. A good time was had by all.

Merry Christmas and Happy New Year.

The next club meeting is the annual banquet at the Blue Water Grill Saturday, January 25th, 11Am -4Pm.

Respectfully submitted: Secretary, *Pat Harrison*

A Fun 40's Event in Long Beach

From Weeg Thompson:

There's a show playing in Long Beach in late February and early March that I thought might interest the Model A people because of the music. Here's a brief synopsis:

A USO performance from the Andrews Sisters is in jeopardy of cancellation when they fail to appear shortly before curtain. Thankfully, three earnest soldier stagehands are determined to go on with the show! The Andrews Brothers is filled to the brim with 30 songs made famous by The Andrews Sisters and other top artists of the era, including the show-stoppers "Boogie Woogie Bugle Boy," "Don't Sit Under the Apple Tree," "Three Little Sisters," and "Ac-Cent-Tchu-Ate the Positive." Mistaken identities and madcap adventures—imagine Bing Crosby and Bob Hope in a road movie of Some Like It Hot—along with the music of an entire generation highlight this wonderful valentine to the heroes of World War II.

Tickets range from \$49-52 depending on the night. The dates we are looking at are 2/29 and 3/6 or 3/7. That's when the most seats are available. More to come when dates are established. . .

Here's the address for the theater in Long Beach.

Vincent Anthony Migliazzo
September 20, 1924 - January 6, 2020

The Wyckoff's attended the funeral of Vince, an old family friend. There were 200 people saying their good-byes. Vince is the dad of members Larry Migliazzo and grandfather of Patrick Migliazzo. He was 95 and a 33 year club member. RIP, my friend.

A Father's Legacy

is not riches, possessions,
or worldly goods of any kind;
It is the way he lived,
the lives he touched,
the promises he kept...
It is the kind of man he was.

but mostly I love my family."*

Technical Talk

Jim's Tech Tip

Front Wheel Bearing Installation and Adjustment

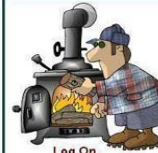

1. See that front hub, inner and outer bearings are packed with grease.
2. Front hub washer should slide over threads on spindle body with fingers (loose fit).
3. Install nut and tighten it while slowly turning the brake drum so that all component parts are pulled together snugly; that is, inner and outer bearings will be snug in cones, washer is tight against outer roller bearing, and nut tight against washer. (There will be a slight drag when drum is turned.) Not over 8-10 ft-lbs of torque is required to get these results.
4. Turn nut BACK two castle slots (this is approximately $\frac{1}{4}$ turn of nut); insert cotter pin and try bearings for a slight side play and a free spinning drum or wheel.

Don't forget the cotter pin! The nut will back out and the wheel will come off. That will totally spoil your Model A Day!

January 2020

Happy New Year from the Model A Ford Foundation!

2020 will be a memorable year for the Model A Museum as we celebrate our 10 year anniversary. Our Museum has undergone many changes during its existence and all of them for the better. This is due to the continued enthusiasm for the Model A hobby and most of all, your continued support to keep us up and running. We are also fortunate to be a part of the Gilmore Museum Complex.

If you are making your plans for this coming year, please consider a trip to the Model A Museum for **Model A Day, September 19, 2020**. Our theme will be "First Responders of the Model A Era!" We are excited about our theme and are currently searching for service vehicles that fit our theme to be on display such as fire trucks, police cars, ambulances, and more. If you know of one or have one that you would like to showcase, please contact us.

Please renew your membership to MAFFI if you haven't already done it. It so easy now on our website, www.maffi.org.

Thank you for your continued support of MAFFI through your membership and donations.

Albert Avoian 1931 - 2019

Albert (Al) Avoian, passed away peacefully at home surrounded by family on December 22, 2019 in Torrance, CA at the age of 88. Born in Torrance on March 31, 1931, Al was a 64-year business owner and 70-year resident of the city. After graduating from Redondo Union High School in 1948, Al enlisted in the US Navy where he served during the Korean War aboard the USS Chikaskia. Following an Honorable Discharge, Al started a successful refuse removal business, South Bay Disposal Service, which served the South Bay for 30 years. He was a member of the LA Co. Solid Waste Management Task Force and launched a, well-respected, industry-wide newspaper, The Refuse News. Al spent the last 34 years of his career developing and managing properties that bear his name throughout the City of Torrance. In 1959 Al married Georgette Donigian, whom he met through an Armenian club they were both members of, and together they raised three children.

Al was a member of the Redondo Jaycees, Torrance Rotary Club, and Torrance Area Chamber of Commerce where he served as an Ambassador for the City. He was also a 64-year member of the Redondo Beach Elks Lodge #1378 and a member of the Harbor Area Model A Club for over 40 years, in addition to many other organizations. In his spare time, Al enjoyed restoring and touring in his Model A's and T's as well as playing golf at Rolling Hills Country Club, where he was a member.

In the early 1980's Al began organizing charity golf tournaments benefitting Cystic Fibrosis and later Torrance Memorial Medical Center, which still runs to this day, now in its 33rd year. Al will be greatly missed and remembered for his generosity to his community, charities, friends, and family.

Al is preceded in death by his parents Tatos and Sona, siblings Ruby, Rosie, Marian, Abraham, and Samuel, son Christopher, and wife Georgette. He is survived by his daughters Elizabeth (Dye) and Sandra, grandchildren David and Erica Dye, and many nieces and nephews.

A Viewing and Rosary will be held on Thursday January 2, 2020 at Lighthouse Memorials & Receptions - Rice Center in Torrance, CA from 5:00 PM - 9:00 PM. A Funeral Mass will be held at St. James Catholic Church in Redondo Beach, CA on January 4, 2020 at 10:00 AM with a reception to follow.

It's Better to Give.

As of January 17th 2020, we have received many donations for our Annual Installation Banquet from Local businesses and Model A parts vendors in addition to the many generous Harbor Area Model A Club members. There are still vendors we have yet to hear from, but remain hopeful.

The Banquet, to be held on January 25th 2020, is our big event for the year and these generous donations help in making it a HUGE success.

I would like to thank The Comedy & Magic Club, the Aquarium of the Pacific, Snyder's Antique Auto Parts, Bratton's Antique Auto Parts, Mike's "A" FORD-able, and CW Moss Ford Parts, Model A Ford Club of America and finally Lomeli's Italian Restaurant. Please frequent these fine establishments to thank them for their support.

As my second year as Vice President of Harbor Area Model A Club comes to an end at the Installation Banquet, I would like to give a BIG thank you to the Harbor Area Model A Club members who donated items to support our club not only for the banquet but throughout this past year for the monthly opportunity drawings. I am looking forward to my Second Term as Vice President and a great start to a new decade in 2020!

The Harbor Area A's meet monthly on the last Friday of every month at the Walteria Park Clubhouse, located at 3855 W. 242nd St. in Torrance, California. Meetings begin at 7:30 PM (The park is located about 1-1/2 blocks west of Hawthorne Blvd. and one block south of Pacific Coast Hwy.) We'd like to invite all interested parties, even if they don't own a Model A Ford, to come and join us. Our goal is to educate the public about Model A Fords and have fun while doing it.
